Thar's Joy in Braveland

"You talk about destiny, well, you can't rule that out. We were hard-nosed and that showed up in 1957." --
Braves catcher Del Crandall to editor Gregory H. Wolf
Few teams in baseball history have captured the hearts of their fans like the Milwaukee Braves of the 1950s. During the Braves' 13-year tenure in Milwaukee (1953-1965), they had a winning record every season, won two consecutive NL pennants (1957 and 1958), lost two more in the final week of the season (1956 and 1959), and set big-league attendance records along the way. This book celebrates the Milwaukee Braves' historic 1957 World Series championship season. Led by the bats of National League Most Valuable Player Henry Aaron and slugging third baseman Eddie Mathews and the "Big Three" pitching trio (Cy Young Award winner Warren Spahn, Lew Burdette, and Bob Feller) the Braves won 95 games. The team enjoyed standout seasons by shortstop Johnny Logan, outfielder Wes Covington, and catcher Del Crandall. And GM John Quinn pulled off the biggest trade of the summer, acquiring All-Star second baseman Red Schoendienst from the New York Giants. The Braves cemented their place in history by defeating the New York Yankees in the World Series. In one of the greatest performances in the history of the fall classic, crafty Lew Burdette tossed his second consecutive shutout (and third complete game) to defeat the Bronx Bombers in Game Seven, in Yankee Stadium. A collaborative effort of 32 members of the Society for American Baseball Research (SABR), *Thar's Joy in Braveland!* The 1957 Milwaukee Braves portrays that memorable team with life stories of all of the roster players, the manager and coaching staff, the owner, the general manager, and sportswriters and radio announcers. Summaries of the regular season and World Series re-create the magic of that unforgettable season. Table of Contents: Introduction: The Milwaukee Braves Make History by Gregory H. Bravelands - Goldene Wölfe

In the early 1830s, U.S. officials forced the Menomonee and Potawatomi Indians to give up their lands in present-day Milwaukee County. Men from England and the eastern United States purchased large tracts of land along Lake Michigan from the government. Settlers like John Fowle, George Cobb, and Luther Rawson brought families to southeastern Wisconsin and helped establish the town of Oak Creek. For more than 100 years, Oak Creek retained its township status and rural character. But in 1955, Milwaukee city leaders attempted to annex Oak Creek's land and collect income tax revenue from a recently completed power plant. The small town won a legendary incorporation battle with their powerful northern neighbor, setting a precedent that also saved Franklin and Greenfield from being absorbed by Milwaukee.

Blood and Bone

In all of baseball, one record shines as perhaps the most coveted: four home runs by one player in a single game. If the pinnacle of pitching is the perfect game, then the highpoint of hitting is four home runs, and only eighteen players in the history of the sport can boast this accomplishment. In *The Four Home Runs Club: Sluggers Who Achieved Baseball's Rarest Feat*, Steven K. Wagner profiles the select group of men who have accomplished the near impossible. Drawing on interviews with dozens of current and former major-league ballplayers, Wagner chronicles the lives of these few who, in the space of a few hours, left an indelible mark on the game. In doing so, the author draws attention to the unique features that distinguished some of these events: one player homered in three consecutive innings; another did it twice in the same inning; a third hit two inside-the-park home runs; one added a double and a single in the same game; and a fifth player drove in a record-tying twelve runs. Among the men in this elite club are legends Lou Gehrig, Willie Mays, and Mike Schmidt, as well as recent "inductees" Shawn Green, Scooter Gennett, and J. D. Martinez. From the sandlots of Coushatta, Louisiana, to the suburbs of New York City, this book examines the special batsmen who parlayed four mighty swings into baseball immortality. A fascinating look into this extraordinary exploit, *The Four Home Runs Club* will appeal to baseball fans everywhere.

Our Navy

With 363 victories, Warren Spahn is the winningest left-handed pitcher in baseball history. During his 21-year career, Spahn won 20+ games thirteen times, was a 17-time All Star, a Cy Young-award winner, and was elected to the National Baseball Hall of Fame in 1973. In addition, Spahn was also a war hero, serving in World War II and awarded the Purple Heart. To say Spahn lived a storied life is an understatement. In *Warren Spahn*, author Lew Freedman tells the story of this incredible lefty. Known for his supremely high leg kick, Spahn became one of the greatest pitchers in baseball history. However, the road wasn't as easy as it would seem. Struggling in his major-league debut at age twenty, manager Casey Stengel demoted the young left. It would be four years before Spahn would return to the diamond, as he received a calling of a different kind—one from his country. Enlisting in the Army, Spahn would serve with distinction, seeing action in the Battle of the Bulge and the Ludendorff Bridge, and was awarded a battlefield commission, along with a Purple Heart. Upon his return to the game, he would take the league by storm. Spahn dominated for over two decades, spending twenty years with the Braves (both Boston and Milwaukee), as well as a season with the New York Mets and San Francisco Giants. Pitching into his mid-forties, he would throw two no-hitters at the advanced ages of thirty-nine and forty. From his early days in Buffalo and young career, through his time and the military and all the way to the 1948 Braves and "Spahn and Sain and Pray for Rain," author Lew Freedman leaves no stone unturned in sharing the incredible life of this pitching icon, who is still considered the greatest left-handed pitcher to ever play the game.
